EXPERIENCE

Casual Dining Food Runner

The Urban Fork, Denver, CO

March 2022 - Now

- Deliver trays of entrees and beverages to tables during peak dining hours, ensuring guests received the correct orders at optimal temperature with minimal wait time.
- Communicate consistently with servers and kitchen staff to confirm item modifications, dietary preferences, and updated wait times.
- Assist with maintaining cleanliness of the dining room by clearing empty dishes, refilling water glasses, and ensuring table presentation met brand standards.
- Help restock condiments, utensils, and to-go containers at shift changes, reducing prep time for incoming staff and maintaining smooth operations.

Busser

Cherry Creek Café, Denver, CO

June 2021 - April 2022

- Supported waitstaff by quickly clearing and resetting tables between guests, improving table turnover during breakfast and lunch rushes.
- Collaborated with team members to serve large parties, assist with beverage refills, and address guest questions promptly and professionally.
- Maintained health code standards by cleaning high-touch surfaces frequently and using proper sanitation techniques throughout shifts.
- Developed excellent multitasking abilities by managing several sections simultaneously while remaining attentive to guests' needs.
