Dear Mr. and Mrs. Langston,

I am writing to express my interest in the temporary nanny position you have available. With several years of childcare experience and a flexible, dependable schedule, I would be happy to provide your family with dedicated short-term support during your time of need.

I've previously worked in both short-term and on-call roles, caring for children ranging from infants to age 10. I focus on maintaining consistency in routines, keeping children engaged with age-appropriate activities, and ensuring a safe and calm environment even during transitional periods.

I'm certified in CPR and First Aid, comfortable assisting with light housekeeping or errands, and always prioritize open communication with parents. Whether you're between permanent childcare arrangements or need help during a family emergency, I'd love to offer my assistance.

Thank you for considering my application. I look forward to the opportunity to support your family, even for a brief time.

Warmly,

Camila Torres
