Dear Prospective Employer,

We are writing to recommend Ms. Sofia Morales, who worked with our family from February 2020 to October 2023 as a bilingual nanny. Sofia cared for our daughter, Eva, from infancy through preschool and played a central role in her bilingual development.

Fluent in Spanish and English, Sofia engaged Eva in language through storytelling, music, and conversation. As a result, Eva speaks both languages fluently, with natural ease. Sofia also brought cultural richness into our home by sharing traditions and introducing educational materials from Latin America.

Beyond her linguistic contributions, Sofia was punctual, creative, and deeply nurturing. She often prepared meals, handled naptime routines, and planned outdoor excursions. Eva adored her and still asks for her often.

Sofia is not only dependable, but genuinely invested in the growth and joy of the children she cares for. We offer our highest recommendation and would be happy to speak further if needed.

With gratitude,

Luis & Natalia Romero
