Sports Field Groundskeeper

Michael Lee

PROFESSIONAL SUMMARY

Dedicated sports field groundskeeper with experience maintaining high school and municipal athletic fields. Skilled in turf care, field lining, and equipment maintenance to ensure safe, playable surfaces.

EXPERIENCE

Sports Field Groundskeeper, Boston Parks & Recreation Department, Boston, MA

2019 - Now

- Maintain and prepare over 10 athletic fields, including soccer, baseball, and football fields, by mowing, fertilizing, aerating, and watering to meet seasonal sports schedules.
- Perform precise field lining and marking for games and tournaments, ensuring compliance with league regulations and providing clear boundaries for players and officials.
- Operate irrigation and drainage systems effectively to promote healthy turf and prevent water pooling that could damage playing surfaces.
- Work closely with coaches, officials, and event coordinators to coordinate field availability and maintenance schedules without interrupting activities.

Groundskeeping Assistant, East Boston High School, Boston, MA

2017 - 2019

- Assisted in upkeep of school grounds and athletic fields, performing mowing, fertilization, pest control, and trash removal to maintain safe and attractive areas for students and staff.
- Prepared sports fields before games and practice sessions, including setting up equipment and marking field lines accurately.
- Monitored machinery condition and reported any repairs needed to ensure consistent functionality during busy sports seasons.
- Collaborated with maintenance team to manage seasonal transitions and prepare fields for winter dormancy.

Community Outreach

- Organized volunteer clean-up events involving local sports teams and neighborhood groups to promote community pride and field maintenance awareness.
- Developed educational materials on proper field usage and care to reduce damage and extend field longevity.
