Professional summary

Compassionate Licensed Practical Nurse with hands-on clinical experience in long-term care settings. Skilled in patient monitoring, medication administration, and assisting with daily living activities. Dedicated to promoting patient comfort and safety.

Experience

June 2025 - August 2025
Licensed Practical Nurse (Internship)
Sunset Gardens Nursing Home, Chicago, IL

- Assisted in daily care routines for 15+ elderly residents, including bathing, dressing, feeding, and mobility support, improving patient comfort and dignity.
- Administered medications under RN supervision with 100% accuracy and documented all patient responses and side effects in EHR system.
- Monitored vital signs and reported any significant changes promptly, contributing to early detection of potential health issues.
- Collaborated with interdisciplinary team members to update care plans based on residents' evolving needs and family feedback.

September 2023 - May 2024
Volunteer Nurse Assistant
Chicago Community Health Clinic, Chicago, IL

- Supported nursing staff in providing health screenings and basic care services to underserved populations during weekly community health events.
- Educated patients about preventive care and chronic disease management, enhancing community awareness and engagement.
- Assisted with administrative tasks such as patient intake and record keeping to improve clinic efficiency.
