Dear Hiring Manager,

I am writing to express my interest in the Seaman position at Lynch Fishing Co. With over six years of experience in commercial fishing and marine operations, I am confident in my ability to contribute effectively to your team. My background includes extensive hands-on work with vessel maintenance, fishing gear operation, catch processing, and adherence to strict safety protocols.

During my tenure with Bluewater Fisheries in Cape Cod, MA, I developed strong skills in deck operations, navigation assistance, and emergency response, which I have further refined at Lynch Fishing Co. I am particularly adept at handling diverse fishing equipment such as trawl nets and longlines, and I consistently ensure vessel readiness by performing regular maintenance and repairs. Additionally, my commitment to sustainable fishing practices aligns with Lynch Fishing Co.'s dedication to responsible marine resource management.

I am physically fit, safety-conscious, and accustomed to working in demanding sea conditions. I am confident that my work ethic, teamwork capabilities, and operational knowledge will make me a valuable asset to your crew.

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experiences can support the continued success of Lynch Fishing Co.

Sincerely,

Robert Lynch
