Dear Ms. Whalen,

I am writing to express my enthusiastic interest in the Registered Nurse position at Bravers Hospital. Having previously worked at Seminar Hospital, I am eager to bring my skills and dedication to your esteemed healthcare facility, renowned for its commitment to excellent patient care.

My knowledge of the opportunity comes by way of my professor at the New York Medicine Academy, who spoke highly of the professional opportunities and the emphasis on quality patient care at your institution. With this endorsement and my solid foundation in nursing, I am excited about the prospect of contributing to Bravers Hospital's dynamic healthcare environment.

In my role at Seminar Hospital, I honed my nursing skills, specializing in medication administration. My experience has equipped me with a solid foundation in delivering compassionate care and collaborating seamlessly with interdisciplinary teams to enhance patient outcomes.

Enclosed is my resume, which provides a comprehensive overview of my professional background. I would welcome the opportunity to discuss in more detail how my skills and experiences align with the needs of Bravers Hospital.

Thank you for considering my application, and I look forward to the possibility of contributing to the exceptional healthcare provided by your esteemed institution.
